

Grand Chapter Teaser

New Things Coming This April For Grand Chapter

- ***Star Point Ritual Competition:***
 - Dust off your Ritual and get ready to compete in your favorite Star Point Lecture on Wednesday Afternoon (April 10th).
 - 50% - Memory Work and 50% - Presentation
 - The winner may have bragging rights, most importantly I want everyone to have fun.
 - Early notice to give you time to start memorizing, more information on how to sign-up will be coming later.
- ***Grand Chapter Game Night:***
 - Wednesday evening we will have some fun playing games and potentially a competitive round of OES Quiz Bowl.

You may be asking “Why all the new stuff on Wednesday?” We wanted to make sure there were activities to participate in for those arriving on Wednesday, and we wanted to add a little FUN. This year there will be only one March Practice and it will be **at Grand Chapter on Thursday morning**. It is very important that anyone participating in the marches be present at 8:30am (Vespers will be at 8am).

- ***Thursday Morning MANDATORY March Practice.***
 - 8:30am – Regency Ballroom
 - Grand Representatives, District Aides, Special Pages, Session Pages and Session Guards.
 - Out of respect for the Grand Marshal and all those that show up to practice and work hard all morning Thursday to get it right, anyone not at practice will be politely excused from marching.
 - We have all attended practice only to have extra people added at the last minute making it confusing and throwing everyone off their game. In the Spirit of Love & Aloha for all that give their time to practice, I am committed to not adding confusion to the mix at the last minute.

Look for the Grand Chapter Schedule and other information to be out soon.

Grand Chapter will be April 11-13th in Topeka at the Ramada Inn Downtown.
