Dear Members,

The Christmas season is upon us and a New Year is just around the corner. As we approach Christmas may each of us remember the true reason for the season. A star led the wise men to see the birth of a king; we have all seen the star in the East and have come to worship him.

Each of you has been a blessing to this Grand Family. We thank you all for the love, many gifts, hugs, and friendship that you have given each of us, as we have traveled across this wonderful state, to visit your chapters. These are memories we will all treasure for a lifetime.

You are all like a snowflake; you're one of a kind, a Miracle from heaven, an exceptional find. Here's hoping your Christmas is extraordinary, too-- Beautiful, Wonderful, and Special like you.

The Believe in Gods Miracles Grand Family wish each of you a Merry Christmas and a Wonderful New Year.

Star Love and God Bless each of you,

Wanda
