Dear Colorado Eastern Star Members,

Great news! This year our Grand Chapter has received a very generous donation to help defray some of the cost of the meals at the Grand Session. While this is a substantial donation it will still be necessary to limit the number of discounts available at each meal. In order to do this the Board of Directors has estimated the number of discounts that will be available at each function. These numbers were based on the number of previous attendees. In order to keep track of the number of reservations for each meal and the number of discounts available, reservations must be made on line [\[oes-colorado.org\]](http://oes-colorado.org) in real time. Once the designated number of discounts has been reached the cost of the meals will automatically revert back to the regular price. See the following table for the discounted price and the regular price as well as the number of meals available at the discounted rate.

Meal	# of Discounts	Discounted Price	Normal Price
GO/GE/GP/GG	45	\$29.00	\$39.00
