If you use a Travel Agent to book your reservations, please make sure the agent tells them you are booking for attendance at the “Colorado Order of the Eastern Star Convention” and uses our booking code “**COES21.**” If they do not book under that code, then we will not receive information from the Hotel that they are attending our session. This is important for everyone however, it is especially important for our out-of-state guests because we want to be able to include you in all of our activities and without confirmation of your reservations you may get “lost in the shuffle”. It’s also important because we will not get the credit for your room stay if you are not recognized as a part of our group. Thank you for your understanding.
