## Kansas Grand Chapter - Order of the Eastern Star

Volume 10

November/December 2021

Edition 3

### Blessings And Bee-Attitudes.....The year that went to the Dogs

All but 2 puppies were named by us! Meet Adah, Ruth, Electa, Fidelity, Constasy, and Trust.

Sister Garrie Oppitz, PGM (WGM 2019-2020) and Brother Ron Krammerr, PGP (WGP 2019-2020) and the Blessings and Bee Attitudes Grand Family and members of the Kansas Grand Chapter were able to raise enough money for their charity project; service dogs (KSDS) to name a litter of puppies. The names selected were Charity, Boaz, Adah, Ruth, Electa, Fidelity, Constasy and Trust.

What is KSDS? The facility opened in 1990 as Kansas Specialty Dog Service and was changed to KSDS Inc. in 2001 because of the service they were placing assistance dogs

throughout the United States. They actually provide service dogs to assist individuals with physical disabilities and facility dogs that assist professionals in the field of education, counseling and other specialty services.

KSDS is located in Washington KS. The estimated cost of each dog placement is in excess of \$25,000.00. However other than the initial \$25.00 application fee, training is provided at no cost to the applicant. KSDS is a 501(c) (3) nonprofit organization and operates entirely on donations. No tax dollars are used to support these programs. Too often individuals have the mistaken idea that the blind individuals are the only ones that need assistance. There are many different aspects of life that individuals need assistance, guide or service dogs. KSDS was the first in the nation to provide both guide and service dogs from the same facility. KSDS actually started as a 4H dog project. Project members from Cloud, Riley and Washington

counties began serving as puppy raisers for organizations in Ohio and California. These club members discovered very few assistance dog placements were made in the Midwest and they wanted to see dogs placed in Kansas and surrounding states to serve the citizens. KSDS celebrated its 30th anniversary in 2020 and have placed 600 dogs.

Sister Garrie and Brother Ron and several Blessings and Bee Attitude grand family members attended the graduation service in November 2019. Who knows where the Grand Chapter puppies may be placed, could even be your neighbors or someone you may know many states away.

**From the Desk of the WGM.....**

As the weather has started cooling down, our travel schedule will soon slow down and give us some time at home to recharge, regroup, and relax a bit. I have just a few reminders about what is coming up soon.

We have just a few Schools of Instruction left where you can purchase tickets for the drawing for the beautiful 31” porcelain doll made by Norma Salisbury and her sister. It is so difficult to get the face right on a hand-painted doll and this one is exquisite! If you collect dolls or if you have a special little girl in your life, this would be a wonderful gift. The other item is a hand quilted decorative tablecloth in a blue and white star pattern. It is oval in shape.

There are still opportunity tickets available anytime from one of the District Aides. These tickets are for the drawings for these items: a very nice Canon Digital Camera with a nice camera bag, a sunflower yellow Michael Kors Tote bag (remember- the Pantone color of the year is Yellow), a ceramic scent diffuser with two different bottles of fragrance oil, a hand-made Masonic cane (made by my husband, Dave), a beautiful crewel embroidered picture in a floral design with a hummingbird by Ann Kolarik. It is professionally matted and framed. These tickets are one dollar per ticket or 6 for 5 dollars. For \$20.00, you receive 25 tickets.

If you need a gift for a child’s Christmas or birthday, the District Aides may still have a few of the cute stuffed dogs at 12 dollars each. This is one of the fund raisers for our Service Dog Committee. Ron Kammerer is the Chairman of this committee. Or if you want to do a double good deed, you might want to sponsor a stuffed dog to be donated to local law enforcement, a fire department, or EMT staff to give to a child in a crisis situation.

There are pins available from your District Aides also. My goal was to ask each member to purchase one of each of our pins. That is one of the best ways to support our charities and special projects. These make great little stocking stuffers for people to wear on a cap, jacket, purse, or coat. The grandkids love to put them on their backpacks. We will have our 2nd Fifty-Fifty drawing on December 4th, so get your tickets for that. Half goes to the winner of the drawing and the other half will be split between KSDS Service Dogs and Children’s Miracle Network. Following the second drawing, our Appointive Grand Officers will begin selling tickets for the next drawing which will be held at our Spring Fundraiser on March 12th in Emporia. You may also purchase tickets on-line by going to “KansasGrandChapterOES.com” and then click on the “Grand Chapter Charitable Projects” tab and then follow the directions to get to the form. The Credit Card processing is done through PayPal, although you do not need to have a PayPal account. Your tickets will be mailed to you.

Our aim this year is “To be about the work of changing lives for good in our world.” As Worthy Grand Matron, I believe it is a big part of my job to inform you and inspire you about the opportunities to donate to our Special Projects. Those donations and our other community service projects are going to change lives for good in our communities. Most of us are blessed to have most of what we want and everything we need. It is icing on the cake if we have enough extra to share in order to help others.

## WORDS FROM THE WILD SIDE

### HAPPY HOLIDAY!!!

This Fall Sister Carol and I have traveled throughout the State and even to Oklahoma, Colorado, and Missouri Grand Chapters. With only a couple of Schools of Instruction needing to be delayed due to COVID issues, this year feels more “normal” than last year. I have been honored to be able to present many 25-, 50-, 60- and 75-year pins this fall. It’s amazing how many 75-year members we have this year and how many of them are still active in their Chapters. These are indeed special people.

We have also been working on several special projects this year, including adding new functionality to the website. This year you will be able to register for Grand Chapter on-line. In addition to the website, we are in the process of setting up a new member database where you and your Chapter Secretaries will have on-line access to your Chapter’s membership records. The software is called “Groupable” and is the same software used by the Grand Lodge of Kansas and other Grand Lodges and OES Grand Chapters. This system will give local Chapters the ability to update member addresses, telephone numbers, email addresses and other information directly without going through the Grand Chapter Office. We are planning on having a training session on the new system at Grand Chapter in April for anyone to attend. Be looking for more information on these exciting developments in the future.

We continue to raise money for the Worthy Grand Matron’s and Worthy Grand Patron’s special projects. One of the fund raising options is the 50/50 Raffle. The second drawing will be held on December 4 at the Grand Officer’s Christmas party so be looking for an announcement on that drawing. At that time we will be starting a new round of ticket sales. The date to draw a winner will be at the Spring Charity event. Not only can you purchase tickets from the appointive Grand Officers, but there is now an on-line form where you can purchase tickets using a debt or credit card and your ticket stubs will be mailed to you. The link to this page is: <https://www.kansas-grandchaptersoes.com/grand-chapter-charitable-projects-2/> . Please consider donating to the special projects.

We are now entering the holiday season with Thanksgiving, Christmas, Hanukkah, New Year’s, and many other holidays being celebrated by people of various religions. Members of Eastern Star and the Masonic Fraternity include many faiths and I suspect many of the holidays that occur in December will be celebrated throughout the Eastern Star family. This is why I used the phrase “Happy Holidays” rather than just “Merry Christmas” to be inclusive of all OES members even though Christmas is the holiday I will be celebrating. In addition, please remember those members who may not have family or friends to celebrate with during the holidays and try to include them in some holiday fun.

Holiday advice from the “Chris-Moose”: Think Big; Eat plenty of holiday treats; Keep your stomach in; Keep your celebrations under control and It’s OK to be a little wild! Have a safe and happy holiday season this year!

Fraternally,

*Dennis Reed, WGP*

# Membership Fun

Your Membership Committee, Chip Marcy, Susan Dennett and Valeri Blackburn challenge you to post on our OES Facebook page how many new members our chapters have initiated. Are there any districts in which every chapter has initiated someone?

You can find the post on our "Kansas Order of the Eastern Star" facebook page. From the page click on events and click on #membershipfun. In the comments, post your Chapter name, Chapter number and the number of members that you have initiated this year. If you have your new Sister's or Brother's permission, go ahead and post a picture of them too!

On another note, we have all enjoyed the opportunity to meet in person again after the impact Covid has had on our daily lives. Our membership committee encourages every member of

every chapter to do what they can to maintain and encourage the active participation of our existing membership as well.

Some of the ways your Sisters and Brothers at chapters across the state have done this include:

- Car pooling to chapter. Offer to give a lift to your sister and brother to your chapter meetings.
- Calling inactive members to see how they are doing. Ask if there is anything you or your chapter can do for them.
- Call a member and ask them out for lunch, coffee, ice cream, etc. if they are comfortable and able.
- Create a "pen pal" (remember those?) relationship with another chapter member that cannot attend meetings but desires to be active in any way possible
- Hold social meetings, fun days, game nights, community service projects, whatever your idea is that's outside of the regular

chapter meeting. Have fun with it!

- Creating visible philanthropic activities in your local community. Some we are aware of around the state include Holiday Make and Bake Craft Days, Santa Letters, KSDS support at the State Fair... the list goes on!

Tell the membership committee of a successful strategy you or your chapter has used to sustain and grow membership, post it on our facebook page. Share what you do with our order.

Membership Committee: Brother Chip Marcy, Grand Warder and Sisters Valerie Blackburn and Susan Dennett

## Delivery of items to Children's Miracle Network

Brother Dennis Reed, WGP and Sisters Cindy Reed and Joan (Jo) Miller, Grand Chaplain

On Friday, December 3 seven boxes of hats, pillowcases, and blankets were delivered to Ascension Via Christi St. Francis for our first delivery of donated items. This first donation contained: 109 Pillowcases, 18 Blankets, 5 quilts with matching pillowcases, and 111 hats of various sizes. This is not all that has been donated but is what we

had ready to deliver. We are still accepting hats, pillowcases, and blankets so if you are feeling a little bored this winter, it's a great time to do some sewing or knitting. We are looking for hat sizes for small adult to large adult and blankets for single or double size beds. Please contact Cindy Reed if you have any questions.

## An update on the 50/50 Raffle!

For the latest drawing we collected \$931.00 which equates to a prize to the winner of \$466. The drawing was held on Saturday, December 4 and the lucky winner was Sister Christy Hard! Upon notice of her winning, she promptly donated one half of her winnings back to the Charitable Projects making a total of \$698 raised as part of this drawing. Total money raised to date is \$1,347! We want to thank the membership for supporting

this money raiser, however, its not over yet. Please discard any yellow or green tickets you have, the new drawing is on pink tickets and can still be purchased through any of the appointive Grand Officers or by contacting Cindy Reed at (785)608-5689 or by purchasing on-line at the following link: <https://www.kansasgrand-chapteroes.com/50-50-raffle-form/> Remember that all the money raised will be split between KSDS and Children's Miracle Network.

## Notice!!

The next issue of the Star Gazer, instead of being mailed, will be handed out at Grand Chapter April 21st & 22nd.

This is to save on postage. If you are unable to make it to Grand Chapter your issue will be mailed to you after the Grand Chapter Session.

Upon arrival we were graciously welcomed by staff, members of KSDS and puppy raisers. A multitude of grateful acknowledgements were extended to us during the luncheon and course of the day by those in attendance for our

efforts extended by our fraternal organization.

It was an awesome experience to meet and share with puppy raiser Sandy Bartkoski "Charity" one of the 10 puppies named by the opportunity accorded to us by KSDS for our charitable contributions during the 2019-2020 Grand Chapter year.

"Charity" was born on May 4, 2021, from the litter of Sam & Rita (Guide Dogs of America) and came to KSDS in July of 2021. She will be with Sandy for 18 months and then return to KSDS. "Charity" will then undergo skill testing and professional training in their facilities for placement as a service dog, guide dog or facility dog.

We will share with the membership at Grand Chapter this year a picture board for your viewing of this special event we attended.

## Winfield Official Visit

OH NO!! The Queen of Hearts, or as many of you know her Sister Carol Salmon, WGM came to visit Queen City #138 and was kidnapped by a band of Evil Soldiers! Fortunately, we have Brave Moose or as you may know him, Brother Dennis Reed, WGP went on a quest led by his guide, Sister Jo Jennings Conductress in search of the missing Queen!

They traveled through the Star Points, but alas, no one had seen the beautiful Queen. Finally, after searching and searching, Electa, (graciously being filled by Sister Glenda Perkins. AGC) said she had a clue! She presented

him with a rose and a key. The key opened a special star box which held a broken heart. We all cheered when the broken heart matched the heart held by the Queen. The Moose was successful! Our beautiful Queen was saved!

Special thanks to all of our visitors and those who graciously filled in.

**Surprising History of OES.....**

How much do you know about the  
Chaplain station.....

In 1895 the Chaplain was a desired station. It was  
mentioned in the listing of badges...but there is not  
an opening charge for the Chaplain. If a Chaplain  
was not present...the Worthy Patron left the east  
and gave the prayers at the altar.

The prayers have not changed over the years.  
The Chaplain was put into the lineup of officers...as  
we know it today sometime between 1895 - 1901.

Then between 1904 and the 1913 GCC Session the  
station of Chaplain was added to the ritual but until  
1927 there was no opening part for that station.

I am still looking for when the Chaplain's opening  
charge was put into the Ritual.

What else can we find in our history??  
Stay tuned.....
